

DESCRIPTION

PRODUCT COVERED:

* USR, CNR Component - Float and Pressure Operated Switches, Model TY85B.

GENERAL:

These devices are pressure switches intended for industrial control use.

ELECTRICAL RATINGS:

Output Contacts: 250 V ac, 16A resistive
 250 V ac, 1A general purpose.

Operating Pressure: 6 bars (600 kpa)

* Surrounding Air: 150°C
